Wouldn't it be great if you could cut your wait time for some of your favorite attractions? Now you can!

Our complimentary Disney's FASTPASS Service saves your place in line for an attraction while you enjoy the rest of the theme park.

To Use Disney's FASTPASS Service:

- Look for the "Disney's FASTPASS® Distribution" sign near the entrance of an attraction.
- Check the "Return Time" displayed on the sign.
 - The sign will indicate the time you would return to enjoy the attraction using a FASTPASS ticket.
 - For attractions, the return time is a one-hour window (e.g., 1:10 p.m. to 2:10 p.m.), so you don't have to be there exactly at a given time. For shows, your return time will be for a specific performance.
- If the return time is one that works for you, just insert your admission ticket into the Disney's FASTPASS Service machine. (You may use your Walt Disney World Resort admission ticket, readmission ticket, Disney Resort Hotel keycard or Annual Passport.)
- A FASTPASS ticket will emerge with your return time printed on it. Now you're free to go and enjoy the rest of the theme park!
- Go back to the FASTPASS ticketholder entrance when your return time rolls around, show your ticket to the Cast Member and enjoy the attraction with a minimal wait.

Please keep in mind:

- FASTPASS tickets are only valid on the day of issue.
- Everyone in your party using the FASTPASS ticketholder entrance must have a FASTPASS ticket.
- There's a limit to the number of FASTPASS tickets you may have at one time. On your ticket will be printed the time at which you can get your next one. Disney's FASTPASS Service machines won't issue another ticket until the time stated on your current one.
